Clinical Hypnotherapy Diploma Course

Communicating Excellence's 5 month short course is designed to build on you existing NLP skills and additionally transfer these skills to Hypnotherapy. The General Hypnotherapy Standards Council accept an NLP Practitioner qualification as approved prior learning.

The longer 10 month course includes our NLP Practitioner training with the Clinical Hypnotherapy Diploma Training beginning on the sixth month of Practitioner Training.

The Clinical Hypnotherapy Diploma Training is one weekend per month. This way participants have the time to integrate and practice using their new and developing skills.

Both Clinical Hypnotherapy Diploma Trainings are approved and validated by the General Hypnotherapy Standards Council. Here is the GHSC web address - www.ghsc.co.uk
